

DEFENSE INFORMATION SYSTEMS AGENCY - STATEMENT OF WORK

Cloud Security Operations Support (HC1028-26-R-0033)

The contractor shall provide 24x7 security operations for DISA cloud enclaves: monitoring, incident response and DevSecOps pipeline hardening.

PERSONNEL SECURITY: All contractor personnel must hold an active TOP SECRET/SCI clearance at the time of proposal submission. The facility requires a TOP SECRET facility clearance (FCL). Work is performed on-site at Fort Meade, MD.

EVALUATION: Factor 1 Technical/Management Approach; Factor 2 Security Clearance Compliance (pass/fail); Factor 3 Past Performance; Factor 4 Price.
